

Privacy Notice

INglass S.p.A. (a sole shareholder company headquartered in Via Piave 4, 31020 San Polo di Piave, TV, Italy - operating under the brand name Oerlikon HRSflow) - is the organizer of the **FLOW BEYOND 2026** event (hereafter «INglass», «we» or «us»).

During the registration process, INglass collects some information about you to manage and organize the event and evaluate its success.

Please note that **the event will be filmed and photographed** to ensure its promotion in the media. If you do not want to be filmed /photographed, please mention it at the event reception and you will be given a specific lanyard.

You registration data will be:

- collected based on INglass's legitimate interest to organise the event (Art. 6(1) lit. f) GDPR) and the necessity to execute a contract (i.e. registration, welcoming participants on site as announced) (Art. 6(1) lit. b) GDPR).
- stored in Italy
- accessed solely by INglass and its suppliers providing support with the organization of the event. When suppliers do access or process your personal data to provide support, INglass signs with the same the necessary contracts to protect your personal data in line with applicable data protection law.

You have the right to know how your registration data is used, obtain a copy of it, its correction or deletion if incorrect, incomplete or outdated. You can exert your rights at any moment by sending your request to our Global Data Privacy and Data Compliance Officer at: privacy.corporate@oerlikon.com. You can object to being photographed/ filmed at the event, as mentioned above. You also have the right to stop receiving invites or information about our events, by simply clicking on the «Unsubscribe» link present at the end of all our invites. If you think that your registration data were used by INglass, in violation of applicable data protection laws, you have the right to complain with the national data protection authority and request that INglass stops using it.
